## See How Little it Costs to Decorate a Room With This Paper

EATON'S shows you the way to economize on decorating here. This is a practical design in serviceable colors that should not show soil easily. Interesting too, the background is treated to resemble tile blocks and interspersed with colorful posies. The paper is ready-trimmed on both edges—a great convenience if you are doing your own papering.

## A Floral Design—So Gay and Casual

(A Ready-trimmed Paper)

This is the type of paper designed for rooms that need light and color contrast. It is gaily interspersed with sprightly floral sprigs well spaced to suggest air and spaciousness. Chalky-white blocks in the background catch and reflect the light. A Wallpaper that may be used successfully in bedrooms. Being ready-trimmed it will be all the easier to handle.

(TRADE NAME)

## A Practical Choice at an Economy Price!

Proving that even though it's practical it needn't be dull, this general utility Wallpaper recommends itself as charming decoration for almost any type of room, upstairs or down. The browns and tans are cleverly brightened by delicate gilt-colored scrolls which catch the light, and pastel tints in random diagonal lines throughout the design. Ready-trimmed.

## A Miniature, to Show the Finished Effect

Here's a bright Paper to perk up a room. Without a distinctive pattern, it is well suited to smaller rooms, giving them a more spacious appearance, and the light, sunny coloring adds cheeriness where windows are scarce. ## BUOY UP YOUR INTERIOR DECORATIONS with MODERN CHARM

Sunny-looking "Bubbles" floating airily among silvery-tinted stars provide a pattern that adds sparkle and animation to your decorative scheme. It's a Paper that will definitely brighten up a room, and its spacious effect is just what so many rooms require. Charming for Bedrooms, Nurseries, Upper Halls, etc., and an interesting effect can be obtained by using it as a Ceiling Paper, too. You'd expect to pay much more for such quality.

## AN UNUSUALLY EFFECTIVE COLOR SCHEME for a BEDROOM

Here again you can see, in Miniature, this attractive Wallpaper design with its harmonizing border and baseband. The mauve tints, so popular for bedrooms, are pleasingly complemented by a border of pale green, and the lines of brown add contrast to the pastel colorings. Your room assumes a modern aspect of light and charm with such decoration on the walls.

## Rich Decoration, Showing the Effect in Miniature

The miniature sample gives you an idea of the finished effect of a decorative border used with a richly designed Wallpaper. The tans, browns and yellows used here are much in vogue just now, and the touches of green and blue in the border permit plenty of scope in your choice of color in furnishings. It's a Wallpaper specially suited to larger rooms, like living-rooms, halls, etc.

## A Graceful Blending of Color and Design

Soft tints that melt into the general color scheme of furnishings make this a readily adaptable Wallpaper for your larger downstairs rooms. It is a design of exceptional grace and loveliness, with delicate overlying scrolls in gilt color that give it the ability to tone up a dull room immeasurably. You could well expect to pay much more than this moderate price for decoration of such quality.
